LESSON 10 · WORKSHEET

Find five files

FILE	CLUE	METHOD USED	TIME	FULL PATH FOUND
`doc1.odt`	Written ten days ago			
`final.pdf`	Opened yesterday			
`new.jpg`	Taken about six weeks ago			
`untitled.txt`	Deleted three days ago			
`backup.zip`	A backup from about three weeks ago			

Which method, and why?

You know only that the file is a spreadsheet. Which two methods would you try first?
